MAR 20 1920

Commissioner of Fisheries.

In the absence of Mr. Scudder I will try to answer the Bureau's letter of February 25 requesting a prompt reply to a former letter. The list of operators was turned over to me to investigate, and while I have not that list at hand, I can remember the results obtained.

The Northern P. Co. said they had just put the report in the mail.

The Juneau Cold Storage Co. promised to give the matter immediate attention.

The rest except J.C. Paradise claimed that they did not operate. At the post office, they said a forwarding address was held for Mr. Paradise. In the absence of the Postmaster they would not tell me what it was, so a blank report was addressed to Mr. Paradise at Juneau for the Post Office to forward.

Warden.
